

# **FringeWORKS Visual Story**

JFA Purple Orange and Adelaide Fringe

# What is a Visual Story?

A visual story has details and pictures to give you more information about a venue or event. It will help you know what to expect when you come here.

You'll find information about disability access and facilities.

This visual story has been created by JFA Purple Orange and Adelaide Fringe on Kaurna Land, Adelaide, South Australia. It will give you information about the FringeWORKS venue for Fringe artists.

If you need more information, you can contact the Fringe team on **08 8100 2022** or [artists@adelaidefringe.com.au](mailto:artists@adelaidefringe.com.au).

# About FringeWORKS

FringeWORKS is an artist hub in the city for artists to use during the day. You do not need to show an artist pass to get in. But you do need an artist pass to register to attend any Professional Development sessions, Fringe Feasts, or yoga.

FringeWORKS is a place to:

- Collect your artist passes,
- connect with other artists,
- work at a hot desk,
- print off your scripts/flyers/posters,
- attend a professional development workshop,
- ask our team for support in person,
- take a break from the hustle and enjoy some air conditioning and
- grab a free lunch on Wednesdays!

These are the  
opening hours:

16 Feb - 16 Mar

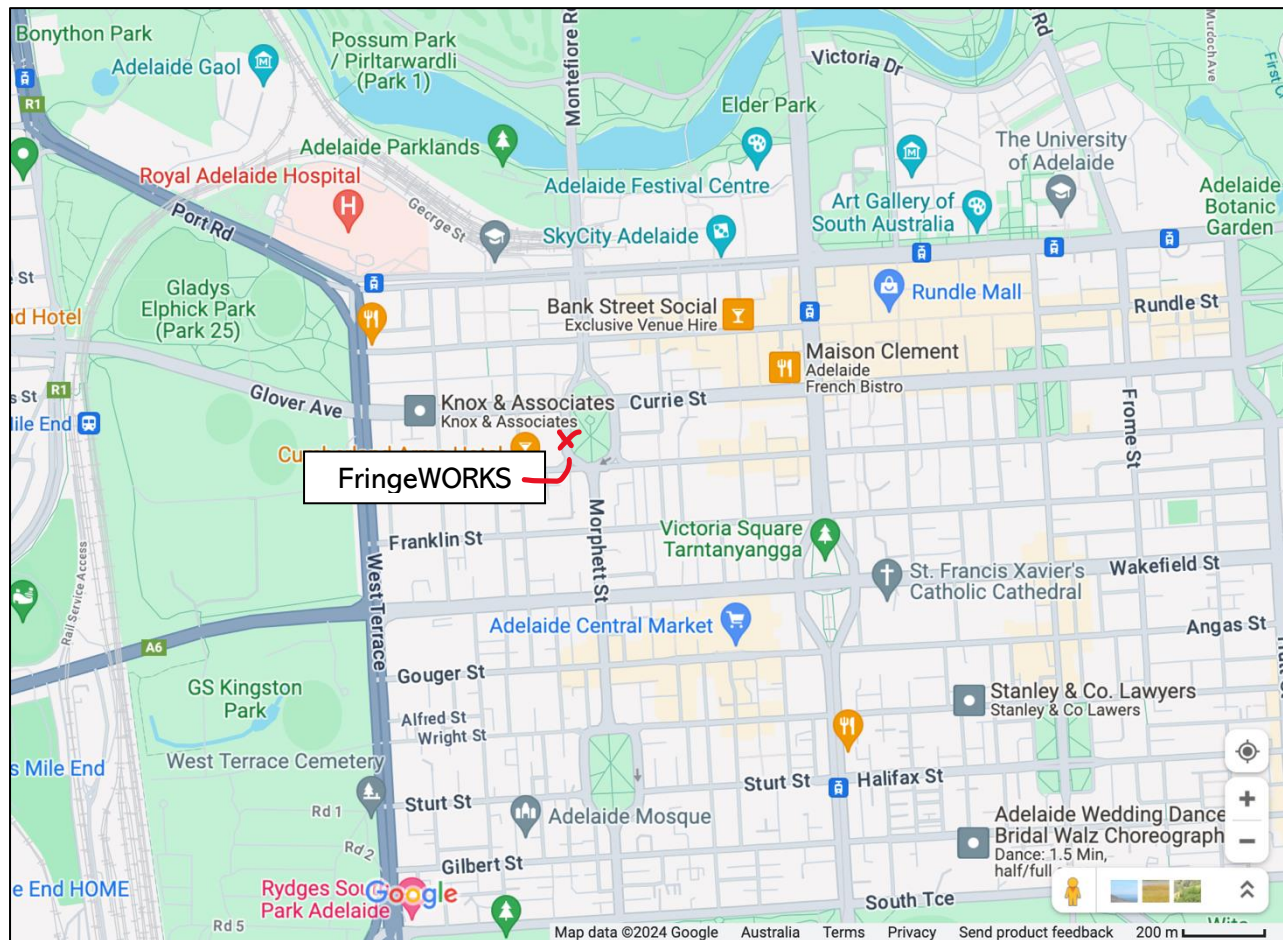

Mon - Tue: 10am to 6pm

Wed - Sat: 10 am to 8pm

Sun: 12pm to 5pm

## Getting there

FringeWORKS is based in the IArt building at 63 Light Square, on the western side of the Adelaide CBD.

It is close to Grenfell Street bus stops, and the free City Loop bus route, which goes through Light Square.

# Parking

There is some on-street parking available.

There is one parking space designated for disability parking permits on the same side of Light Square as the venue, and others across the square and on Waymouth Street.

# Entrance

Entry to FringeWORKS is through a double swing door labelled “ILA Light Square”. The door will be propped open while the venue is open. Each door is 800mm wide, so both open to 1600mm.

## Hallway

There is a short hallway, which leads to a flight of stairs. There is a lift to the right.

The door to the lift well is a fire door, so is quite heavy. Once through there, the lift is very narrow so you may not be able to turn a wheelchair inside.

## Lift

The lift door is 900mm wide, and the weight limit for the lift is 1000kg, or 13 persons.

FringeWORKS is on Level 3.

## Front Desk

There is a front desk when you come out of the lift at Level 3. A staff member may be here ready to help you, or they may be in the office area.

## Main room

FringeWORKS is a large, open space with small offices and a storeroom off to the sides. Only the main room can be used by artists.

There are places for you to sit, work, heat up food and use computers.

## Fringe Staff

Fringe staff will be available to help answer your questions.

Their desks can be found at the end of the room, near the kitchen.

# Kitchen

At one end of the room is a kitchen with a fridge, dishwasher, sink and microwave. The microwave is around 60cm off the ground.

You are welcome to use the kitchen!

## Level 3 Toilets

Next to the kitchen are two toilets, one accessible and one ambulant. These are accessed via a swinging door 810mm wide, which leads to a small hallway.

The **accessible toilet** is at the end of the hallway.

The door to the toilet swings inward. The toilet itself has its handrail on a lefthand side. In this room is a sink with space underneath it, two bins, freestanding soap dispensers, and hand towels, with no hand dryer.

The **ambulant toilet** has a sliding door. The room contains a toilet and a sink with a freestanding soap dispenser, a mirror, hand towels but no hand dryer, and the room is around 1.5m wide.

## Level 1 Toilets

There are other toilet options on Level 1, which can be reached by the stairs or the lift.

There are gendered toilets and an accessible toilet on this level. The accessible toilet has a left-hand rail.

## ILA on Light Square

FringeWORKS may be busy during the day, because it is in a building with a restaurant, art gallery, bar, and performance venue.

Artists receive 20% off selected beverages at all ILA Bars, and free entry to their Saturday night event "DM for Address".

# Contact

This visual story was produced by JFA Purple Orange and the Adelaide Fringe.

For further information on FringeWORKS, please contact the Fringe Artists and Venues team:

Phone: 08 8100 2022

Email: [artists@adelaidefringe.com.au](mailto:artists@adelaidefringe.com.au)

In-person: You can head to the Adelaide Fringe Box Office for over the counter service, located at BankSA Fringe Corner (Cnr East Tce & Rundle Rd) from 17 February 2022.

# Accessibility Enquiries

You can also contact the dedicated Accessibility Booking Line 08 8100 2089. All Fringe TIX staff are trained to provide assistance with access enquiries and bookings, including wheelchair and Companion Card bookings, as well as venue and event information.

You can contact FringeTIX through the National Relay Service on 133 677 then dial 08 8100 2089 or via [relayservice.com.au](http://relayservice.com.au)

The Adelaide Fringe Box Office is equipped with non-verbal communication boards and features a dedicated accessible service counter which is at an accessible height.

**Access guide:** Fringe have produced their access guide, listing shows with various accessibility options, as well as shows featuring disabled artists.

The [Accessibility at Fringe](#) website page takes you through these options and more.

Thank you!

We hope you have a great time at FringeWORKS.
