

Guildhouse Membership

Guildhouse is South Australia's peak body for visual art, craft and design.

If you are planning to participate in the Adelaide Fringe Festival visual arts program you may require Public Liability insurance. Guildhouse offers a tailor-made insurance package as part of our Accredited Membership specifically for visual artists.

Whether you are an arts lover with a keen interest, or a practicing artist, being a Guildhouse Member unlocks a world of visual arts, craft and design. If you are looking to: join a shared studio space, conduct workshops, sell at craft markets, install your own artwork, or develop your practice further a Guildhouse Membership might be beneficial to you!

Accredited Membership – includes insurance

Perfect for artists, craftspeople, designers, curators, arts workers and installers who need insurance coverage and want all the benefits of being a Guildhouse Member, including our range of artistic programs.

Community Membership

Don't need insurance? Our Community Membership is perfect for artists interested in accessing our mentorships, residencies and other creative opportunities alongside our professional development services thoughtfully created to support expanding your career.
