

# GURU DUDU SILENT DISCO TOURS

Additional Info for Adelaide Fringe ticketholders 2021

## We have a new start venue this year!

This year our tours start at the **Light Horse Memorial** in Rundle Park. Cnr East Terrace & Botanic Road. If you went to the old venue by mistake then quickly head towards the new venue along North Terrace. That way, you are most likely to find the tour in case you are late.

## Covid-19 awareness

Please do not attend the tour if you have any flu like symptoms. Please check our website will have for any latest information regarding Covid-19 at [www.gurududu.org/adelaide](http://www.gurududu.org/adelaide). All our headphones will be hygienically cleaned after the previous use. We have a covid statement at [www.gurududu.org/covid19](http://www.gurududu.org/covid19)

## Practicals

Please come light-handed as we will be on the move a lot around the city. Wear comfortable dancing shoes. Arrive 5 mins early for setup. Suitable for all ages and abilities, however it is a dancing, moving tour so come prepared for a bit of a workout. All tours go for 50 mins and will go ahead in all weather.

## Safe & Respectful Behaviour

Please be mindful of your personal safety and the safety of others while on the tour. The headphones decrease your ability to hear regular noises on the street, and are fitted with a volume switch so you can adjust the sound to an appropriate level for your safety and enjoyment.

Please be mindful that our tours can sometimes be disruptive to onlookers and local residents, traders, etc, due to our sheer presence (blocking pedestrians) and singing out loud near onlookers. Our Tour Guides strive to choose routes that minimise this possibility.

## Disclaimer

All tour attendees participating in a Silent Disco Walking Tour do so at their own risk and waive any liability claims against Guru Dudu Productions when they agree to join a Tour. This includes personal injury as well as loss, damage or theft to any walker's property while they are participating in a tour. Any child under 12 years must be under supervision of an adult at all times.

## Acknowledgements

We acknowledge the original custodians of all the lands that we dance and walk upon. We kindly acknowledge the music artists and producers who created all of the fabulous music that we play in our tours - we pay a portion of all ticket fees to the music licensing agencies.
