

Thank you so much for your camping enquiry.

Can you please email Jim Paterson on: info@theborderers.com.au to confirm how many of you will be in your tents, and how many camping spots you require. We will try our very best to situate you next to your friends too.

Please also include your **full contact details** including **email & phone**, so that the front gate staff can cross reference you (on the day) with your booking through FringeTix.

Someone will get back to you asap to tell you exactly what to do when you arrive at the festival in March.

Thank you for all your support
Jim & Chris
