Practicals

Please come light-handed as we will be on the move a lot around the city. Wear comfortable dancing shoes. Arrive 5 mins early for setup. Suitable for all ages and abilities, however it is a dancing, moving tour so come prepared for a bit of a workout. All tours go for 50 mins and will go ahead in all weather.

Safe & Respectful Behaviour

Please be mindful of your personal safety and the safety of others while on the tour. The headphones decrease your ability to hear regular noises on the street, and are fitted with a volume switch so you can adjust the sound to an appropriate level for your safety and enjoyment.

Please be mindful that our tours can sometimes be disruptive to onlookers and local residents, traders, etc, due to our sheer presence (blocking pedestrians) and singing out loud near onlookers. Our Tour Guides strive to choose routes that minimise this possibility.

Acknowledgements

We acknowledge the original custodians of all the lands that we dance and walk upon, and all of the generations who have danced on these same lands for many thousands of years before us.

We kindly acknowledge the music artists and producers who created all of the fabulous music that we play in our tours - bringing joy to so many people. We pay a portion of all ticket fees to the music licensing agencies in each respective country.
